

PictureFrames.net, a division of R.S. Owens

R.S. Owens has acquired PictureFrames.net, the promotional products industry's leading frame supplier. This means great opportunities for R. S. Owens' customers and more options for your recognition programs:

- Industry's broadest selection of frames, including metal, wood, digital, chipboard and certificates.
- Brand names with the quality end users recognize: Malden, Burnes, Reed & Barton.
- Online custom application to create your own unique frame in minutes.
- Great values, with most frames retail priced below \$20.00 (C).
- All frames available blank or imprinted.

Sierra (black wide wood)

Essentials (matte narrow silver)

Digital Frame (mahogany wood)
